

Thank you for signing up for our Trunk or Treat!

The idea of a Trunk or Treat is that the kids from the neighborhood can dress up and get candy in a safe and inviting space. Our Trunk or Treat will take place in the third of the parking lot closest to the road, with the cars staggered on both sides, trunks facing in.

Usually in a Trunk or Treat, each car has a theme and/or activity! This makes it a longer event than just collecting candy at each car*. It also fosters a play-like atmosphere and boosts community spirit. It can be as simple as a ring or ball toss, but the more you get into your theme/activity, the more fun it is! You can also dress up to go along with your theme.

**Candy will be provided by other members of the congregation, so you can just focus on the game/activity and decor of your trunk!*
